## SUITABLE FOR 20m WIDE BLOCKS

The Darcy 28 has been designed to suit 20m wide blocks.

This home will be the complete package featuring our 'House to home' inclusions. Quality fixtures & fittings throughout with all the final touches that make a house a home. All you will need to do is move in! We offer FIXED PRICE tenders that include all site costs.

The Darcy 28 has been designed with families in mind, with a rumpus room, separate media room and study.
